

Site Who We Are

bazaar.com

An online artist-driven marketplace for independent creators to showcase and sell their work. Bazaar also functions as a hub for artists to connect directly with their audience and their creative peers.

Design Concept

The design approach will be to create a unique, recognizable identity for the site while maintaining a minimalist sensibility to showcase the unique identity of our artists and their work.

Design Goals

Unobtrusive design that facilitates the users' interactions with the site. The emphasis is on accommodating the users' content.
